at 441-0614**

Block Play Extravaganza for children ages 8 months to 5 years of age!
Come play and learn with lots and lots of blocks including little blocks, big blocks, square blocks, round blocks, wooden blocks, foam blocks, wooden planks and cardboard blocks. Receive information on the stages of block play and tips to help your child learn math and science concepts through play.

Space is limited! Sign up now to participate in this great family event!
