

Workshops presented by:
Parenting Enrichment Program
A Community Approach to Parenting

“Motivating Children to Learn”

This fun and interactive workshop offers important parenting tools and a fresh approach to promoting responsibility and self motivation in children.

The workshop will include:

- ♥ Inspire children's creativity
- ♥ Build thinking skills
- ♥ Encourage individual traits and interests
- ♥ Strengthen the parent/child relationship
- ♥ Handle homework hassles

About the Instructor

Beth Tillett, a Certified Parent Educator, offers workshops and parent education programs for parents and professionals through the Children & Youth Partnership for Dare County. Certified through *Parents as Teachers (PAT) Born to Learn* curriculum, *Parenting Counts* by the Talaris Institute, and the *International Network for Children and Families (INCAF)*, she is committed to strengthening families to face the challenges of day-to-day life and to experience the joy that teamwork and close family relationships bring.

Date: February 2nd
